

THE OLEA RUG

OLEA draws inspiration from the quiet elegance of ancient olive groves and the slow beauty of time. Its organic silhouette reflects the natural canopy of an olive tree as seen from above, while the sculpted contours echo the growth rings of the trunk and the landscape of the land. With its earthy palette and hand tufted texture, OLEA brings a sense of calm, grounding and effortless sophistication to luxurious interiors

With its earthy palette and hand tufted texture, OLEA brings a sense of calm, grounding and effortless sophistication to luxurious interiors

Inspired by the natural canopy of olive trees, bringing softness and flow to the space

Topographic lines echo the growth rings of the trunk and the rhythm of the land

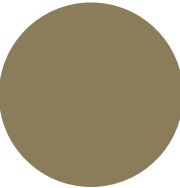

a nod to the olive pip, a natural symbol of renewal, potential and enduring legacy
