

CAESURA

“Caesura explores the idea of pause within movement and is inspired by drifting clouds and the sunlit rhythm of waves, the rug translates moments of flow, reflection and stillness into an abstract sculptural surface. Layered textures, organic carved forms and subtle shifts in tone evoke the movement of water and sky, while creating a calm and luxurious focal point within a contemporary hotel lobby. Like a caesura in poetry, the rug marks a meaningful pause, a moment of rest between one journey and the next.”
