ZOYA
ARTISANAL RUGS

The Linage Collection is a signature rug design from Zoya, a beautiful, timeless collection that works effortlessly across most interiors.

Hand-tufted with a wool loop background, the surface features softly blended tonal variations that create depth and quiet visual interest. Irregular linear patterns in bamboo silk flow across the foundation, slightly raised and hand-carved to introduce gentle definition and a refined sheen.

The contrast between the textured wool base and the smooth silk lines brings layered, architectural elegance underfoot.

Each piece is made to order with a lead time of 10–12 weeks, a considered expression of modern quiet luxury.
