ZOYA
ARTISANAL RUGS

The Essence Collection by Zoya embodies clean, quiet elegance, the kind found in beautifully curated modern homes.

Hand-tufted from thick plush wool, the rug offers a soft, full surface with a refined, tailored finish.

A bamboo silk pattern is subtly raised and hand-carved, introducing gentle definition and a controlled sheen that catches the light without overpowering the space.

With its clean lines and balanced composition, Essence is designed for interiors that value individual , precision, and modern luxury.

Each piece is made to order with a lead time of 10–12 weeks, reflecting a thoughtful approach to contemporary luxury.
