ZOYA
ARTISANAL RUGS

The Zoya Bouclé Weave Collection was inspired by the soft, comforting feel of bouclé fabric and the quiet beauty of natural texture.

We wanted to bring that same gentle, tactile quality to the floor, creating rugs that add depth and warmth in a subtle way.

Each piece is hand crafted from 100% wool, made to order, and available in a range of refined, earthy colourways. Approximate lead time is 10 -12 weeks.

Designed to sit softly within a space, the Bouclé Weave Collection offers a calm and considered foundation that feels both modern and timeless.
